Tax advantages

Gifts of appreciated securities offer tax advantages, including forgiveness of the tax on capital gains and an income tax charitable deduction for the fair market value of the securities. These gifts provide tax advantages and may require independent appraisals to meet Internal Revenue Service guidelines.

Financial Accountability

Union Gospel Mission Twin Cities (UGMTC) is committed to financial accountability, transparency and stewardship. We are a Christian 501(c)(3) non-profit organization, offering hope to those experiencing homelessness, poverty and addiction in our community. Our open-book policy means that all our financial information is available for review. With the majority of our support coming from the general public, your trust is honored.

Your contributions and financial support make the work of UGMTC possible. When we work together, hungry people are fed, people experiencing homelessness are sheltered, and hurting people are given the tools to change their lives.
